Re: Jane Doe v. Institute for Family Health, et al.  
Docket No.: 20-CV-05155 (PAE) (KNF)  
Our File No.: OB1223

Dear Judge Engelmayer:

Please be advised we represent the defendants, Institute for Family Health, Family Health Center of Harlem, Dr. Yu Lin Ngu and Dr. John Pfail in the above-referenced claim. With the consent of plaintiff's counsel, we write to request an adjournment of the discovery conference which is currently scheduled for November 23, 2020.

There is some discrepancy as to the current insurance coverage of the aforementioned defendants. Specifically, there are multiple insurance carriers who hold different policies of coverage for the defendants, of whom have been noticed of the above claim. We are in the process of determining which policy will cover the claims alleged therein. Upon completion of same, the defendants will be in a better position to proceed with discovery and discuss the potential of early settlement of the claims.

With that being said, the undersigned respectfully requests an adjournment of the November 23, 2020, discovery conference, on

consent of the parties to January 11, 2020, or a date convenient for the court. Please do not hesitate to contact the undersigned if you have any questions or require further additional information.

Respectfully submitted,
